

How to Connect UD Wi-Fi

UD students, faculty and staffs can find our wireless service named as below

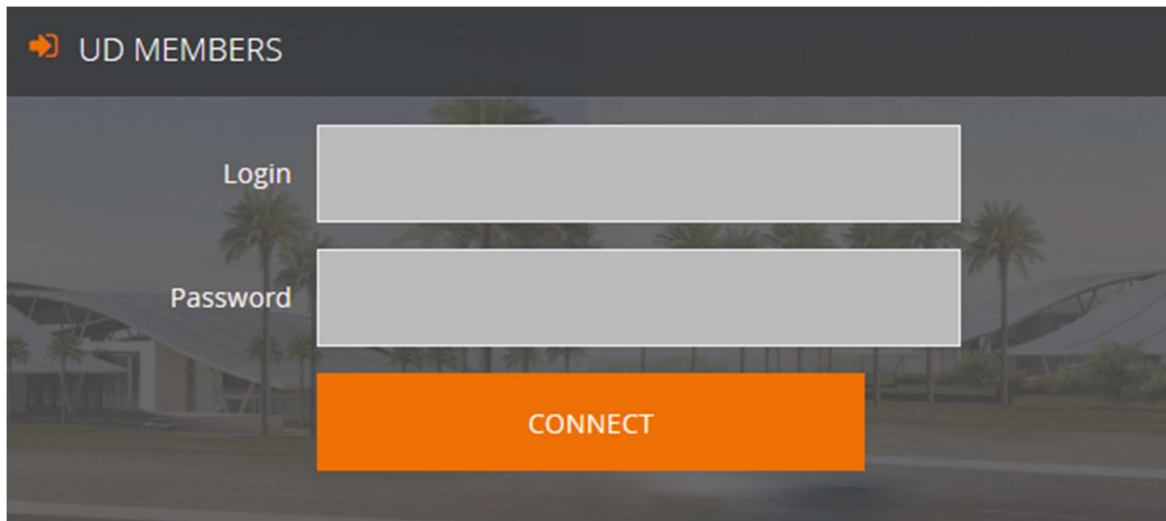

“UD”

Which is open network anyone can connect on their smart phones and laptops

Once connected it takes you to login page for internet access all students, staffs and faculty must have to enter their user name and password on UD Members login option with UD account, which appears below

Please Note: Staff and faculty can connect up to 4 devices.

Students can connect up to 2 devices.

The image shows a login interface for UD Members. At the top left, there is an orange icon of a person with an arrow pointing right, followed by the text "UD MEMBERS". Below this, there are two input fields. The first field is labeled "Login" and the second field is labeled "Password". Both fields are currently empty. Below the password field is a large orange button with the word "CONNECT" in white capital letters. The background of the login page is a dark, semi-transparent image of a modern building with palm trees in front of it.

Guest can register by clicking Guest Registration on same login page
